Workshop outline

The workshop will cover each of the Food Fraud and Food Defence requirements for each of the GFSI standards (SQF, BRC, Global/GAP and FSSC22000) as well as Freshcare, Yum!, Woolworths and Coles/CFSMR.

During the workshop you will learn:

- the difference between HACCP, TACCP and VACCP
- how to understand the Food Fraud and Food Defence requirements of each of the standards
- how to identify and assess threats to your production facility and risks to your supply chain.

You will also document and build elements of your TACCP and VACCP plans throughout the workshop. All elements of at least one process for TACCP and part of your supply chain for VACCP will be covered during the workshop.

At the end of the day you will have completed the bulk of the Food Defence/TACCP plan for one process and have your Food Fraud/VACCP plan mapped out and ready to be populated across all your supply chain.
